The 16th Street Business and Neighborhood Alliance (SSBNA) was formed in 2008 by Bette & John Schultz, long time area residents and former owners of Lizabel's Treasures & Antiques. The Schultz' formed SSBNA out of their commitment to growing 16th Street into an important Phoenix shopping, dining and services destination. With their vision, the SSBNA has grown into a strong, supportive business alliance. The organization's mission is to stimulate pride, safety, prosperity and economic growth in our neighborhoods and businesses.
